

**ANNOUNCING OPPORTUNITIES FOR SERVICE WITH OUR BOOK'EM AND BOOKS FROM BIRTH PROJECT COMMITTEE**

**Todd Carter, chairperson**

**Love kids and books?**

Share your love of reading with elementary kids in need through our partnership With Book'em and Books from Birth of Middle TN.

Rotarians are needed to volunteer to be a reading role model for a classroom of first or second grade students at Park Avenue Elementary. Each volunteer will be assigned a teacher at Park Ave and will coordinate the day and time of their visits with their individual teacher. You will read aloud to your assigned classroom once a month January through May, 2010, and then let the children select a brand new book to become their own during each visit.

This project will require about 1 1/2 hours each month: 30 minutes for your classroom visit, and, about 30-45 minutes to pick up and return books each month at Rose Park Middle School (the program headquarters).

Book'em will provide a training session on Tuesday, January 26 at Rose Park Middle School, located at 1025 – 9<sup>th</sup> Avenue South, 37203 (just off Edgehill). There will be two sessions from which to choose: 8:30-9:30 a.m. or 12:00 to 1:00 p.m. If you cannot attend either of these sessions, Book'em will work with you to get the information you need.

**YES, I want to help with the Book'em / Books from Birth READING Program. Please have a staff person from Book'em contact me with a class assignment so that I can schedule my reading time with the teacher.**
